	Document DCN & Title:	MP-001: Quality Policy	

Janco Electronics, Inc.

Quality Policy

Janco Electronics is committed to providing highly reliable quality products and services on time at a competitive value to our customers. We are dedicated to the continuous improvement of our methods and process by:

- Adopting excellence in everything we do*
- Emphasis on customer service*
- Optimizing costs through maximizing productivity*
- Strict compliance to applicable standards and regulatory requirements*
- Recognition of employee merit through company involvement and participation*

All of this is accomplished by our greatest asset, our people.

Rollins L. Janetos, President / CEO
